The screenshot displays the Wizard Sync 2009 (Professional Edition) interface. The main window shows a list of backup/sync plans on the left, including 'seven options sync - network' and 'Personal Docs sync - network'. The central pane shows the details for the 'seven options sync - network' plan, including a tree view of files and folders, their sizes, dates, and sync status. The 'Plan Locations' section shows two locations: a local drive (C:\Users\jaid\...) and a network drive (\\MYBOOKW...). The 'Scheduled Plans' section at the bottom shows a table of scheduled syncs.
